

Our Lady's N.S. Nurney, Co. Carlow

■ Title

Health & Safety Policy Statement

■ Introductory Statement

This policy statement was adapted to the current format in accordance with the guidelines of the Primary Professional Development Service. Our previous Safety Statement was reviewed and updated to take into account the most recent legislation in regard to Health and Safety. It was presented to the Board of Management on 6th April and ratified by the Board of Management on the _____.

■ Rationale

It is a legal requirement under the Safety, Health and Welfare at Work Act, 2005 for every employer, in conjunction with employees, to prepare a Health and Safety Statement. It represents the Board of Management (BOM)'s commitment to safety and health, and specifies the manner, the organisation and the resources necessary for maintaining and reviewing safety and health standards.

The BOM wishes to document their health and safety programme and make it available to all employees, outside services providers and Inspectors of the Health and Safety Authority.

■ Relationship to Characteristic Spirit of the School

According to our Mission Statement Our Lady's National School strives to provide a well-ordered, caring, happy and safe environment for our pupils. In keeping with this philosophy our Health and Safety policy emphasises the importance of the health and safety of our pupils and that of all school employees. The Board of Management, of Our Lady's National School recognises the importance of the Legislation enacted in the Safety, Health and Welfare at Work Act, 2005. This Safety Statement sets out the Safety Policy of the Board of Management, of Our Lady's National School and sets out the means to achieve that policy. The Board of Management's objective is to endeavour to provide a safe and healthy work environment for all our employees and pupils and to meet our duties to members of the public with whom we come into contact. This policy requires the co-operation of all employees.

It is our intention to undertake regular reviews of the statement in light of experience, changes in legal requirements and operational changes. The Board of Management will undertake to carry out a safety audit annually and report to staff. This inspection / safety audit will be carried out more frequently if requested by either staff or the Board of Management. All records of accidents or ill-health will be monitored in order to ensure that any safety measures required can be put in place, wherever possible, to minimise the recurrence of such accidents and ill-health.

■ Aims

- to create a safe and healthy school environment by identifying, preventing and tackling hazards and their accompanying risks
- to ensure understanding of the school's duty of care towards pupils
- to protect the school community from workplace accidents and ill health at work
- to outline procedures and practices in place to ensure safe systems of work
- to comply with all relevant health and safety legislation (so far as is reasonably practicable) to include the following areas
 - *Provision of a safe workplace for all employees – teachers, SNAs, secretary, caretaker, etc.*
 - *To ensure competent employees, who will carry out safe work practices*
 - *Safe access and egress routes*
 - *Safe handling and use of hazardous substances and equipment*
 - *Safe equipment including maintenance and use of appropriate guards*
 - *Provision of appropriate personal protective equipment.*

■ Guidelines (*content of policy*)

CONSULTATION & INFORMATION

It is the policy of the Board of Management of Our Lady's National School :

- To consult with staff in the preparation and completion of the Health and Safety Statement.
- To make available the *Health & Safety Statement* to all present and future staff.
- That any additional information or instructions regarding safety, health and welfare at work not contained in the document will be conveyed to all staff as it becomes available.
- That Health, Safety and Welfare will form an integral part of any future staff training and development plans.

HAZARDS

Hazards shall be divided into two categories. Those which can be rectified, will be dealt with as a matter of urgency. Those that cannot, will be clearly indicated and appropriate procedures will be put in place to cope with them. All hazards shall be eliminated in so far as resources and circumstances allow.

The Board of Management in consultation with the employees will review and make recommendations on the elimination of hazards.

SPECIFIC HAZARDS

1. Fire

It is the policy of the Board of Management of Our Lady's National School that

- * There is an adequate supply of fire extinguishers, which will deal with any type of fire.
- * All fire equipment is identified and regularly serviced.
- * Regular fire drills take place at least twice a year. (See Policy for Fire and Fire Drill)
- * Instruction is given in the use of fire extinguishers for specific materials/equipment.
- * Signs will be clearly visible to ensure visitors are aware of exit doors.
- * All electrical equipment be unplugged or turned off outside school hours and when classrooms are vacated for lengthy periods.
- * An assembly area is designated (on football pitch – sign denotes area)
- * Those leaving buildings/classrooms should let someone know.
- * Exit signs are clearly marked.
- * The teacher in each classroom will be responsible for fire evacuation and fire drills procedures.
- * A fire officer has checked the school and equipment and all recommendations made by him/her have been implemented.
- * The position of Deputy Principal has as one of its duties to act as Fire Marshall and oversee in conjunction with the Safety Officer and Representative the above aspects of the policy.

2. Other hazards

- * The padding on the upright stands for the basketball rings should be renewed.
- * The wooden fence adjacent to the basketball court should be repaired where the support posts have rotted.
- * All manhole covers should be adjusted so that they are level with the surrounding surface
- * A procedure to enable staff to safely hang posters at a height within classrooms should be established and communicated to all staff.
- * There are goalposts on the school football pitch.
- * Pupils are not allowed to run in the school grounds during weather which would pose a danger to their safety e.g. frost snow, and ice.
- * During particularly inclement weather the Board of Management reserves the right to keep the school closed if it is felt that a risk is posed to staff and pupils by travelling to or attending school.

CONSTANT HAZARDS

1. Electrical Appliances

It is the policy of the Board of Management of Our Lady's National School that only competent persons use Electrical Appliances. Such appliances and equipment will be subject to regular maintenance checks.

2. Chemicals

It is the policy of the Board of Management of that all chemicals, detergents etc., be stored in clearly identifiable containers bearing instructions and precautions for their use and kept in a locked area, and protection provided for use when handling them. These are locked into a press in Cleaning Room.

3. Drugs/Medications

It is the policy of the Board of Management of Our Lady's National School that no drugs or medication be administered to pupils by members of school staff due to the fact that staff are not qualified to do so and therefore could pose a threat to the welfare of the pupils. In exceptional circumstances where emergency medication is required to safeguard a seriously ill child's welfare, a teacher or SNA may be requested to administer such medication. The procedure in such cases is outlined in Administration of Medicines Policy.

4. Wet Floors

It is the policy of the Board of Management of Our Lady's National School that the washing of floors is conducted after school hours to ensure, as far as is reasonably practicable, elimination of danger of slipping.

5. The Code of Conduct

The Code of Conduct in the school provides for a level of appropriate behaviour to minimise personal risk or stress to any employee.

6. Accidents and Injuries

However vigilant the school staff is in relation to pupil safety, accidents will happen and correct procedures in the event of accidents can prevent or minimise injuries. Supervision of pupils at break times takes place to ensure the safety of all.

7. Bullying

The Anti-Bullying Policy is a stand-alone policy, which provides a framework for dealing with instances of bullying among pupils. The procedures for dealing with Adult Bullying are in accordance with the INTO publication '**Working Together: Procedures and Policies for Positive Staff Relations (2000)**' and our '**Dignity at Work Statement**' included as Appendix 7.

8. Access to Employees is by Consent

When an employee feels at risk from or threatened by a particular person on school property, this must be drawn to the Board of Management's attention. The Board of Management will undertake to ensure that in such circumstances all appropriate measures will be taken to protect employees.

9. Trained First Aid Personnel

It is the policy of the Board of Management that: -

Employees will be trained to apply First Aid to pupils and other employees.

All required remedies and equipment are made available for first aid function.

There will be an adequate supply of properly equipped First Aid Boxes available at all times to staff which will contain:

Elastoplast plasters

Wasp Eze

Tape

Disinfectant (e.g) Savlon

Eye lotion(e.g) Optrex

Antiseptic cream

Cotton Bandage

Cream for First Aid treatment of Burns

Antiseptic Wipes

Scissors

First Aid Chart

10. Asbestos

In August, 2007, Asbestos Removal Works were carried out at the school. After which the school was certified for re-occupation. The accompanying report forms part of this Health & Safety Statement and is available for inspection in the school.

OTHER PROCEDURES

1. Educational Visits

Educational visits will be booked with a reputable, properly insured coach service with fully seat-belted coaches. We will aim for a ratio of ten pupils per adult (teacher or parent) but not more than fifteen. Every effort will be made to ensure the safety of the pupils at events or activities they are participating in i.e. the theatre, swimming pool, playground, etc. will be properly equipped and manned by qualified staff.

2. Visitors to the School

Persons coming onto the school premises must identify themselves clearly to whoever answers the door before gaining admittance to the school premises. Any contractor should make direct contact with the Principal, or Vice Principal before initiating any work on the school premises. All outside facilitators, teachers, coaches etc. who are delivering workshops to pupils will do so under the supervision and direction of the class teacher. Any outside professionals working with children without such supervision must have appropriate qualifications and Garda vetting.

3. Wet Days

On wet days, children will be supervised indoors. The pupils stay in their classroom, where they read, draw, play board games or chat.

4. Emergency Closures

On occasions where school is in progress and it becomes necessary to close the school for safety reasons, parents who bring their children to school are contacted. Every effort is made to ensure that all parents are made aware of the situation through Text-a-Parent, local media, school website etc. Transport home is arranged and where there is nobody at home pupils can stay with neighbouring parents with their own parents' consent.

■ Success Criteria

Our success criteria will be based on the achievement of our aims to provide a safe environment for our employees, pupils and visitors. We will use staff observation and parental feedback in addition to Health Inspector's Reports and our safety record as our benchmark for success or otherwise of the policy.
